Events

The NASP 2023 Annual Conference in Colorado Springs, CO, and **2023 Spring Conference** in Amelia Island, FL, were fantastic events, and we're honored to have been able to participate in a variety of panels and discussions. Here are all the talks we presented. A huge thanks to our excellent speakers!

Raising the Bar on Recoveries: A Primer on Claims Involving Lifting Machines – Cranes, Aerial Boom Lifts, Scissor Lifts, and Forklifts
with John Popilock

Bad Weather/Good Subro?
with Timothy Cary and Thomas Paolini

Building Codes – More Than Mere Guidelines: How a Better Understanding of the Building Codes Applicable to Your Specific Loss Can Lead to Improved Recovery Potential
with Thomas Underwood

NASP 2023 Spring Conference

Successful Subrogation in Construction Defect Cases: Surviving the Subrogation Storm of Contractual and Insurance Coverage Issues
with Thomas Paolini

So You Think You Have A Settlement? Not So Fast!
with Thomas Paolini, Michael Wallace, and Alexandra Torriero
