

Sprinkler System Failure Leads to Recovery Following Building's Change in Use

If a building has a working sprinkler system, it should control a fire and prevent serious damage, right? If that is true, why do we continue to see serious fire damage to buildings equipped with working sprinkler systems? Contrary to what many people believe, all sprinkler systems are not created equal. [Read more...](#)

Stutman Law Launches New Website

Please check out our new and improved website at www.StutmanLaw.com

Learn about the firm, view our upcoming events and report your losses online to our New Loss Team.
